Society Hosts 3rd International Picnic

For the third time this summer, the Cedarville Area Historical Society played host to visitors from other countries. In September, legislators and government officials from Burma, Malaysia, Mongolia, People's Republic of China, Samoa and Taiwan closed out their tour of Stepenson County institutions with a relaxing picnic on the grounds of the Cedarville Museum. On two earlier occasions, the society hosted picnics for visitors from Afghanistan and Israel. These visitors are invited to the United States under the auspices of the Department of State's International Visitor Exchange Program. The group was aided in this county by the Freeport Area International Visitors Council

Heating, Cooling Now in 2nd Floor North Room

Lemanski Heating and Cooling, Freeport, has completed installation of a heating and cooling system in the museum's second floor north room. The system can be easily expanded if needed.

programs but will be used for exhibits starting next year. Her canvas will be about 36 inches high and 25 feet wide. Ms. Barton has had considerable experience in creating wall murals.

Within the next month the artists will submit several ideas for their murals. The four to be executed will be chosen with the primary concern being to avoid duplication. All work is expected to be completed by May 1, 2011, the opening day for the museum.

The artists are contributing their talent; however, the historical society will pay for the cost of materials.

Historical Society Member Elaine West Marks 100th

Ellen Elaine Whipple West, Cedarville Area Historical Society member now living in Iowa, celebrated her 100th birthday in August. She is believed to be the oldest member of the society.

Elaine's late husband, Stephen, was the great grandson of Abner Clingman, one of the first settlers of Stephenson County, coming to the area before 1840.

Elaine now splits her time between living in Iowa and Arizona with her two daughters, Susan and Sandra.

When people ask how she lived to be 100, she replies, "I tell them I forgot to die." She added, "To live to be 100 keep busy and have fun! I enjoy friends, make lap robes, cook a little, keep house, belong to two clubs and travel."
